*As we enter a new season, the 2006 Syracuse Orange volleyball team is ready for the exciting competition in The BIG EAST Conference.*

*As you probably know, Syracuse University is one of the most prestigious institutions of higher education in the country. In addition to playing volleyball, our student-athletes take advantage of the high-quality educational opportunities provided by the University and are working very hard toward their educational goals. Our team GPA has been consistently above 3.0 and Syracuse received the AVCA Team Academic Award in 1996, 2001 and 2005 for having a team GPA of at least 3.4.*

*Syracuse University is an excellent environment for student-athletes. Our athletic facilities, academic support services and on-campus living conditions are first class. Syracuse volleyball players receive the best coaching and training, get the best academic support and enjoy the sport at a high level of competition. In the past two years, we have finished in the top three of our 15-team BIG EAST Conference. My goal is to assist our student-athletes in reaching their athletic and educational goals at Syracuse and bring this team from a regional powerhouse to the level of national recognition in the coming years.*

*I invite you to visit our campus and to watch us play. If you are interested in the academic and athletic opportunities available at Syracuse and would like to know more about us, please feel free to contact me.*

The 2006 Orange volleyball squad has a difficult task in front of them for the upcoming season. The challenge will be to continue the success enjoyed by the 2005 schedule. Syracuse made great strides in 2005, finishing third in the BIG EAST Conference and winning a school-record 11 conference matches. The Orange also won its first postseason game since 1999, coming back from two-games down to defeat Pittsburgh and advance to the tournament semifinals.

This year's team will have a different look to it. The seven returning players and six incoming freshmen will look to build on the success that last year's senior class helped establish.

"It is a unique situation that we had with so many senior starting players graduate in one year," said head coach **Jing Pu**. "We basically lost five to six starters. I watched them grow and build their skills and experiences over the years and now the team is going to do it again. They will develop mental confidence, technical consistency and new leadership. I'm glad that most positions will be replaced by several competitive new players."

The lone senior on the team, **Erin McQuillin**, will have to establish leadership among the middle blockers and also provide some support on the right side. She has shown continuous overall improvement throughout her career and Pu has high expectations for her this season.

"Erin has demonstrated more physical competitiveness, motivation, and desire to have her best performance her senior year," Pu said. "Her natural jumping ability makes her competitive in the front. I anticipate that Erin will increase her total kills for the season in a significant way."

Anchoring the defense is junior captain **Joscie Kaup**. Kaup is the returning starting libero and has led the team in digs both of her seasons at SU. She recorded the fourth-highest dig total in school history last season with 514 and is Syracuse's career leader with 3.93 digs per game.

"Joscie has been selected as the captain by her teammates because the last two years she has not only produced impressive defensive and passing results and contributed significantly to the team's success," Pu said. "But she has also demonstrated strong leadership to get the team focused on the competition and improving. Joscie's role will continue to be the primary center for the team."

Junior **Cheryl Cobbina** will lead the Orange at the outside hitter position. Cobbina finished third on the team last season with 314 kills. She will shoulder more responsibility on defense and passing this year, in addition to her role as a primary hitter.

"Cheryl has demonstrated a very competitive performance with top-ranked teams in the country," Pu said. "As a major hitter and all around player for the team, I look forward to seeing Cheryl become a more mature and consistent player at a higher level."

Sophomore **April Quigley** will compete as the primary setter for the Orange. She finished second on the team last year, averaging nine assists per game. Pu hopes to have her running the team offense this season.

"She has mentally and technically developed to become more competitive and confident to lead the team," Pu said. "I think April is mentally ready to take the responsibility to run the team offense."

Along with Cobbina, sophomore **Emily Kaier** returns at the outside hitter position. Pu would like to see Emily develop to become a primary outside hitter.

"With the advantage of her physical height and very strong arm swing, Emily will have the opportunity to make continuous improvement and become a major outside hitter for the team this year," Pu said.

Sophomore **Brittany Kern** will add some depth at the middle blocker position, who has a very strong background at the junior level.

"As a sophomore, Brittany will earn more playing time at the middle position and her success, along with her quickness and solid skills, has been much expected by the team," Pu said.

**Jacki Kliment** returns for her sophomore season and adds some quality depth to the defensive specialist position.

"Jacki is a consistent hard worker. She has improved her game experience and physical development during her first year."

The Orange welcomes six new freshmen to the team this year, a group Syracuse will rely on with the departure of the large senior class.

"We have a bigger than usual freshmen group," said Pu. "It will be a very exciting opportunity for them to earn a starting position and to contribute to the game right away."

Joining the ranks at the middle blocker position is freshman **Sarah Morton**, who completed a successful high school career at Burnt Hills high school where she was named New York State Player of the Year.

"Sarah has competitive blocking height and movement speed at the net which is very much needed by the team this year," Pu said. "Sarah has also demonstrated her ability to play in the back row and contribute all around on the court."

**Kacie MacTavish** and **Annabelle Pellerin** join the team as outside hitters. Both MacTavish and Pellerin come to Syracuse from Canada where they experienced competitive club seasons.

"Kacie has been an all-around competitor on the volleyball court," Pu said. "Besides handling the offense on the net, her success on the floor will be very important to the competitiveness of the whole team. Annabelle's hitting power and ability to change hitting directions will make her an effective outsider hitter for the team."

**Samantha Ainsworth**, who is also from Canada. She joins Quigley as a setter for the Orange.

"Samantha's competitive height on the net with her effective blocking, hitting and dumping balls is going to add a lot of excitement to our games," Pu said. "Her setting style and natural athletic talent will be a very important addition to the team."

**Cindy Hand** and **Shanetha McLaurin** will join Kaup and Kliment as defensive specialists.

"Cindy and Shanetha have been working hard in the summer trying to be physically ready for the college season," Pu said. "Due to the NCAA rule which allows the libero plus 15 substitutions per game, I would like to use the talent of our defensive specialist to contribute to the game as much as possible."

The Orange has another tough schedule facing them in 2006.

"Our schedule this year has been the toughest ever which includes 10 NCAA tournament teams from last year and several top 50 teams in the country," said Pu.

In his 11 years leading the Syracuse women's volleyball team, head coach Jing Pu's teams have posted six 20-plus win seasons and made five appearances in the BIG EAST Tournament. He is also a two-time recipient of the BIG EAST Coach of the Year.

**Strong Mentor**

Several players have excelled under Pu's tutelage. Dana Fiume ('01) holds two SU school records, including attacks and block assists. In 2000, Noreen Carroll ('02) broke the school's assist record in only her third season in Orange, and in 1999, Rachel Watson ('00) shattered the school's single-season and career digs records. Kelly Duan ('06) broke the single-season school record for kills with 537 in 2005 and Kristen Conway ('06) owns three attack records.

Pu guided his first All-American during the 2004 season, when Kelly Duan was named honorable mention and then she garnered the accolade again in 2005. Pu's 2004 and 2005 teams also produced a record number of All-BIG EAST selections as Duan, Kristen Conway and Aila Dommestrup all earned league honors.

**Success at Syracuse and in the BIG EAST**

In 2005, Pu guided the Orange to one of its best seasons ever. Syracuse went 25-10 and 11-3 in the BIG EAST, the most conference wins SU ever had in a season. In the BIG EAST Championship, Syracuse knocked off Pittsburgh for the first time in postseason play, battling back from a 0-2 deficit to steal a win in five games. The Orange then lost to Louisville in the semifinals.

In 2004, Pu posted his fifth 20-plus win season at Syracuse as he led the Orange back to the BIG EAST Tournament. For his efforts he earned the BIG EAST Coach of the Year award. Syracuse finished the season with a 25-7 overall and 8-2 mark in the league to cap off one of the most successful seasons in program history. It was the highest single-season win total since 1996 and most conference wins since 1990. The Orange began the year winning its first nine matches, and went 12-1 to start the season. It marked the best record to begin a season in program history, and tied the

record for most consecutive-wins at the start of a season. In that span, SU captured two in-season tournament titles at the Army Tournament and the Big Orange Tournament.

In 2002, Pu posted his 300th career victory in a match versus Siena on October 16. Pu's 2003 team enjoyed two six-match winning streaks, including SU's first win over BIG EAST rival Georgetown since 1997, on its way to a 17-16 record. The 2003 season finale versus West Virginia was Pu's 300th match at Syracuse.

Pu's squad returned to the BIG EAST Tournament in 1999 where SU lost to eventual champion Georgetown in a five-game semifinals. In 2000, Pu posted his fourth 20-plus win season at Syracuse with a 24-10 record, the squad's highest win total since 1997.

In 1997, Pu guided Syracuse to a 24-12 mark and a second consecutive trip to the BIG EAST Tournament. It marked the first time since 1992 and 1993 that the Orange earned back-to-back conference tournament berths.

Pu arrived in Syracuse in 1995, and in his first season, he coached the team to a 17-16 mark. After bringing in his first recruiting class in 1996, Syracuse recorded a 26-11 mark and advanced to the BIG EAST Tournament semifinal. For his efforts, Pu was recognized by his BIG EAST coaching peers with the conference's Coach of the Year award.

**Head Coaching Start**

Pu's first coaching job was as the head coach of the women's professional team of Qinghai Province, China in 1975. He came to the United States in 1985 to serve as an assistant coach at Utah State University. After four years at Utah State, Pu spent one season as an assistant coach and physical education instructor at California State University at Chico.

In 1990, Pu moved east, taking the reins at California University of Pennsylvania. He inherited a squad that went 15-20 in his first season before coaching it to consecutive 30-win seasons – 35-8 in 1991 and 36-3 in 1992. Pu was honored as the Pennsylvania State Athletic Conference Coach of the Year in 1991 after leading the Vulcans to their first conference win and PSAC title. Pu earned the award the following season as the team repeated as conference champion.

Pu moved on to Central Connecticut State in 1993. He was awarded his third Coach of the Year award in as many seasons when he led the Blue Devils to their best-ever record. One season later, he coached the program to a 34-4 mark.

Pu graduated from the Beijing Sports University in China in 1974. In 1976, Pu completed the Chinese National Volleyball Coaches Training Program at the Zhangzhou National Volleyball Training Base. He holds a Master's of Education in Health, Physical Education, and Recreation from Utah State, which he earned in 1989.

| 2003 | Syracuse, Graduate Assistant |
| 2005 | Clarkson University, Head Coach |

With a year of head coaching experience, Carol Munger returns to her alma mater as an assistant coach for the Orange. She graduated from Syracuse in 2002 and earned her masters while serving as the program's graduate assistant in 2003. In her playing career at SU, Munger totaled 741 kills and 95 blocks. Her 3.49 career kills per game average ranks third all-time.

In 2005, Munger served as the head coach at Clarkson University where she led the Golden Knights to a 20-14 record. She guided four student-athletes to all-conference honors and earned a fifth-place finish as the 12th seed in the NYSWCAA Tournament. The Golden Knights played the toughest schedule in program history, but still set the school record with 350 service aces and had the second most kills in team history with 1,471.

After earning her undergraduate degree and masters in accounting, Munger traveled to France in 2004 and played professionally in the National French League. She also coached a youth volleyball team in the Chatelaillon community while overseas.

Munger currently resides in Syracuse.

| 2002-2005 | Syracuse |

Orange All-American Kelly Duan joins the volleyball staff as a graduate assistant for the 2006 season.

The program's first All-American, Duan is a constant in the school's record books. In 2005, she recorded the highest single-season kills total (537), the third-most attacks (1,217) and fifth in service aces (57).

For her career, Duan ranks third in service aces (175) and sixth in kills (1,360), attacks (3,373), digs (1,091), block assists (290) and total blocks (325).

Duan received All-America honorable mention accolades from the American Volleyball Coaches Association (AVCA) in 2004 and 2005. She also became the third player in school history to be named to the AVCA All-Region Team. Duan was named to the first-team All-BIG EAST Conference in 2004 and 2005, and was a recipient of the BIG EAST/Áeropostale Female Scholar-Athlete Award her senior year. Duan also was named to the CoSIDA Academic All-District First Team in 2005.

Duan is completing her master's degree in accounting. She received her undergraduate degree in finance and accounting in May of 2006. She was a six-time member of the Athletic Director's Honor Roll and was named a BIG EAST Academic All-Star on three occasions.

## Alexia Tsairis Memorial Award

*The Alexia Tsairis Memorial Award is given in memory of Alexia Tsairis, a Syracuse volleyball player who was aboard Pan Am Flight 103, which was blown up by a terrorist bomb over Lockerbie, Scotland, on December 21, 1988. Tsairis, a native of Franklin Lakes, N.J., was a junior at the S.I. Newhouse School of Public Communications spending the fall semester studying photojournalism at the Syracuse University London Center. A two-year letterwinner in volleyball, Tsairis was a defensive specialist for the Orange.*

*"Alexia contributed to the team's success with her skills, determination and competitive spirit," Tsairis' head coach Dan Schulte commented. "Her teammates bonded to her not only because of her love of volleyball, but for her feverish love of life. Her spirit was a precious gift that I and the members of the team will always cherish."*

*The award is given annually to Syracuse's leading defensive player. Statistical data, along with a demonstrated competitive attitude, determines the recipient each year.*

## ACADEMIC SUPPORT

To support the athletic and academic goals of the student-athletes, the Syracuse Athletics Department has a comprehensive academic services unit, the Office of Student-Athlete Services. The unit is staffed by a director, four full-time advisors, a secretary, seven graduate assistants and a complete tutoring staff devoted specially to individual academic and personal development.

The department was selected as a pilot school for the NCAA CHAMPS/LIFE Skills Program. This program at Syracuse is known as the Stevenson Educational Center LIFE Skills (formerly known as ACES). The role of SEC is to provide experiences and opportunities that will help the student-athletes realize their full potential. The key components of SU's LIFE Skills Program are Academic Commitment, Personal Development Commitment, Service Commitment and Career Development Commitment.

The program, designed to enhance leadership and citizenship skills, offers opportunities to develop understanding of choice, integrity, accountability and commitment. The program was created to adapt to the ever-changing needs of the student-athlete during his or her collegiate career and encourages meaningful contributions to the community.

The facilities at Syracuse University have undergone as many changes as the focus and scope of the program. The Milton and Ann Stevenson Educational wing has expanded during the last five years, allowing for increased attention and support of the needs of the student-athlete. Computer clusters, group meeting rooms, office space and private tutorial rooms are in place to further enhance the support provided by the department. All of the expansions and space are convenient to the living, academic and athletic facilities enjoyed by the Syracuse student-athlete.

## Syracuse At The BIG EAST Tournament

**2005** Syracuse entered the tournament as the third seed in the new eight-team field. After falling behind 0-2 to sixth-seed Pittsburgh, the Orange completed an impossible comeback and won in five games (21-30, 25-30, 30-20, 30-27, 15-12) to beat the Panthers for the first time ever in postseason play. SU then lost to second-seed Louisville in the semifinals, 3-1, (30-23, 30-18, 28-30, 30-25).

**2004** The Orange returned to the tournament for the first time since it was changed to a four-team format. Syracuse entered as the third seed and lost to second-seed Pittsburgh in three games (25-30, 22-30, 19-30) in the semifinals

**1999** Syracuse played the role of underdog in its opening-round match against Providence. As the sixth seed, SU defeated the No. 3 Friars, 3-2 (10-15, 15-7, 15-10, 9-15, 15-11). The Orange advanced to the semifinals where it lost to eventual champion Georgetown in five games.

**1997** The Orange returned to the tournament as the fourth seed for the second straight year. SU lost to Pittsburgh in five games (15-5, 15-7, 9-15, 13-15, 15-7) in the first round.

**1996** Syracuse opened the tournament with a 15-12, 9-15, 15-4, 12-15, 19-17, win against Connecticut in the first round before losing to eventual champion Notre Dame in the semifinals.

**1993** SU entered the tournament as the sixth seed and lost in the first round to third-seed Connecticut.

**1992** SU beat Georgetown to advance to the semifinal against Pittsburgh, but lost to the Panthers in an attempt to return to the championship match for the second straight year. The Orange beat Seton Hall to take third place in the tournament.

**1991** The Orange beat Seton Hall and Villanova to advance to the championship match, but finished second, losing to Pittsburgh in the finals. The second-place finish was the third for SU in five years.

**1990** Syracuse beat Connecticut in the first round, but lost to Georgetown to qualify for the third-place match against Seton Hall. The Orange defeated the Pirates, 15-8, 12-15, 15-6, 15-7.

**1989** After winning its first two matches against Boston College and Georgetown, second-seeded SU lost to top-seed Pittsburgh in the championship match. Senior co-captain Terri Hibner and sophomore Sherry Cowling earned all-tournament honors for the second straight year.

**1988** For the first time in team history, two players earned all-tournament honors. Freshman Sherry Cowling and junior Terri Hibner were selected to the team after leading the second-seeded Orange to the finals. Syracuse rolled to 3-0 wins against Seton Hall and Georgetown before losing to top-seed Pittsburgh in the finals.

**1987** SU opened with wins against Georgetown and Seton Hall. The Orange then lost to Pittsburgh before coming back against Villanova to qualify for the semifinals. SU dropped a close semifinal match to Georgetown, 12-15, 12-15, 9-15.

**1986** Syracuse defeated Boston College, 3-2, in the first round, but lost to eventual champion Pittsburgh in the semifinals. SU lost to Georgetown in the third-place match and finished fourth in the tournament.

**1985** Dani Loch earned a spot on the All- Tournament team for the second consecutive year, leading the Orange to a fourth-place finish. SU beat Connecticut, but lost to Pittsburgh and Georgetown.

**1984** For the second straight year, Syracuse finished third at the tournament. SU's Kris Terrillion was named BIG EAST Coach of the Year and sophomore Dani Loch was voted to the all-tournament team as Syracuse, the third seed, finished 2-1 in the tournament.

**1983** As the seventh seed in the tournament, the Orange tied for third place in the tournament standings with a win against Georgetown and losses to Connecticut and Pittsburgh.

**1982** Syracuse was seeded fifth in the inaugural conference tournament and finished with a 1-2 match record, losing to Villanova and Pittsburgh, and defeating Seton Hall.

***BIG EAST Commissioner***

The BIG EAST is in its second year as the nation's largest Division I-A conference. The first year with 16 members was wrought with curiosity among those in the world of collegiate athletics and in the media, but the league thrived in its new alignment, enjoying significant success in the athletic arenas, on the playing fields and in the classroom.

The goals of the BIG EAST have remained constant throughout its history -- to compete at the highest level and to do so with integrity and sportsmanship.

In men's basketball last year, BIG EAST squads secured a league-record eight NCAA bids. Seven BIG EAST women's basketball teams earned NCAA berths. In football, West Virginia garnered the attention of the college football world with its victory over Georgia in the Nokia Sugar Bowl. The Mountaineers were the BIG EAST's representative in the Bowl Championship Series.

In 2005-06, the BIG EAST welcomed five new members to increase its membership to 16: University of Cincinnati, DePaul University, University of Louisville, Marquette University and the University of South Florida. Some were ready to call the new BIG EAST alignment too unwieldy, but the league showed that there can be strength in numbers even when that number is a large one.

BIG EAST institutions reside in nine of the nation's top 34 largest media markets, including New York, Chicago, Philadelphia, Washington, D.C., Tampa, Pittsburgh, Hartford, Milwaukee and Cincinnati. With its newest members, BIG EAST markets will contain almost one fourth of all television households in the U.S.

Since opening its doors in 1979, the league has won 25 national championships in six different sports and 123 student-athletes have won individual national titles.

Last year, the Villanova women's cross country team was named the NCAA's Silver Anniversary Cross Country Program. The Wildcats have won seven NCAA team titles since 1981. Former Wildcat standout Carole Zajac was named the top individual performer of the women's cross country era.

The BIG EAST has always been able to boast that some of its best students are also some of its best athletes. More than 350 student-athletes have earned Academic All-America honors. Last year, West Virginia's Joe Herber was named the ESPN The Magazine Academic All-American of the Year in men's basketball.

The BIG EAST has continued its basketball success in the 21st century. In 2003-04, Connecticut became the first school in NCAA history to win the men's and women's NCAA titles in the same season. With the Syracuse men and the UConn women grabbing NCAA crowns the previous year, the BIG EAST became the first conference in NCAA history to win the men's and women's titles in consecutive seasons. In fact, the BIG EAST has won five of the last seven women's basketball crowns and three of the last eight men's titles.

Moving proactively has been a consistent strategy for the conference that was formed in 1979. The BIG EAST has continually turned challenges into opportunities to become stronger.

In the spring of 2001, the BIG EAST added women's lacrosse and rowing to its growing list of sports. The inaugural women's golf championship was held in the spring of 2003.

The BIG EAST became a reality on May 31, 1979, following a meeting of athletic directors from Providence College, St. John's, Georgetown and Syracuse Universities. Seton Hall, Connecticut and Boston College completed the original seven-school alliance.

While the membership has both increased and changed, the focus of the BIG EAST has not wavered. The conference reflects a tradition of broad-based programs, led by administrators and coaches who place a constant emphasis on academic integrity. The BIG EAST Conference has enjoyed a leadership role nationally. Its student-athletes own significantly high graduation rates and their record of scholastic achievement notably show a balance between intercollegiate athletics and academics.

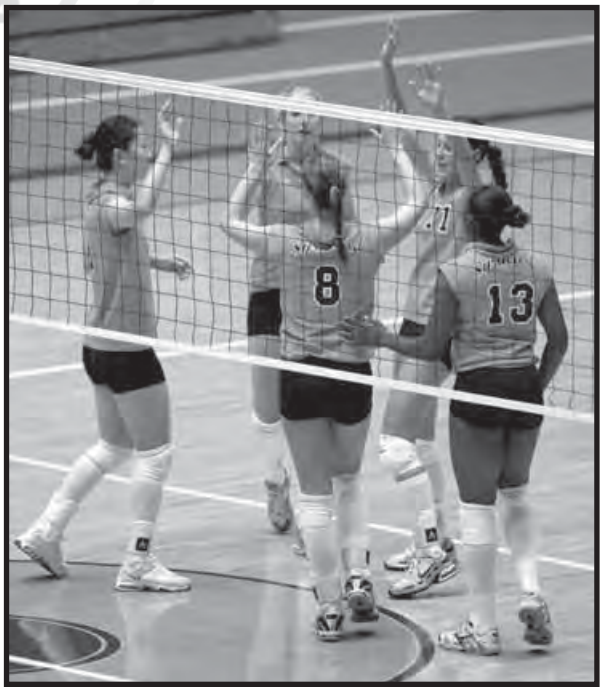
Any successful organization needs outstanding leadership. Michael Tranghese, the league's first full-time employee, and for 11 years the associate to Dave Gavitt, moved into the Commissioner's chair in 1990. In his first year, he administered the formation of The BIG EAST Football Conference.

The league has long been considered a leader in innovative concepts in promotion and publicity, particularly regarding television. Those efforts have resulted in unparalleled visibility for BIG EAST student-athletes. The conference has enjoyed long-standing relationships with CBS, ESPN, Inc. and ABC.

While BIG EAST basketball games are regular sellouts at campus and major public arenas, including the annual men's BIG EAST Championship in Madison Square Garden, attendance figures also are significant at BIG EAST soccer, women's basketball and baseball games.

More than 550 BIG EAST athletes have earned All-America recognition and dozens have won individual NCAA national championships. The BIG EAST has been well-represented in U.S. or foreign national and Olympic teams. Several athletes earned gold medals in each of the last five summer Olympiads.

The BIG EAST has its headquarters in Providence where the conference administers to more than 5,500 athletes in 23 sports.



## SOLADAY AWARD

It is fitting that the Soladay Award is the most prestigious award given to a student-athlete by the Department of Athletics. After all, Doris R. Soladay epitomized all of the positives in intercollegiate athletics. The Soladay Award is given annually to the top male and female student-athletes who best exemplify the essence of Doris.

From her appointment as the first, and only, Director of Women's Athletics at Syracuse University in 1975 until the day she retired as Associate Director of Athletics on May 31, 1995, Doris dedicated herself to student-athletes wearing the Orange of SU. The SU Department of Athletics and the world of intercollegiate sports lost a dear friend when Doris passed away in May, 2001.

Doris established scholarships for women, while increasing the budgets to run the programs. She worked with the late Chancellor Eggers and others who supported women's athletics to begin Orange Plus. Throughout her career, Doris made it a point to attend every home athletic contest of every Syracuse team whenever possible. She often cheered on one team in the morning, another in the afternoon and a third in the evening.

Her impact on athletics reaches far beyond "The Hill," however. Prior to the NCAA taking women's athletics into its fold, Doris held offices on numerous committees in the AIAW (Association for Intercollegiate Athletics for Women) on the state, regional and national levels. After the merger, Doris directed her energy into the NCAA Council, serving from 1989 through 1995.

Doris was also influential regionally where she was an integral part of the expansion of The BIG EAST Conference to include women's athletics, as well as chairing various committees in the league. The ECAC also benefited from her knowledge and savvy, where she was a member of the ECAC Women's Steering Committee from 1983 through 1987. For her many outstanding contributions, the ECAC honored Doris with the 1995 Katherine Ley Award, presented annually to a women's athletics administrator who serves as a role model for her colleagues, as well as a strong proponent of women's issues.

It is no secret that her presence in the corridors of Manley Field House has been missed, but it is clear that her legacy will remain a part of the Orange forever.

## ORANGE PLUS

Established in 1974, the Development Office is the parent organization for athletic fund raising at Syracuse. Through gifts from more than 7,000 members, the Development Office gives special assistance to SU's 21 varsity teams.

The Varsity Club of Syracuse University is an active network of more than 1,500 former student-athletes who earned SU varsity letters. Chartered in 1934, the organization offers a variety of services to members and sponsors the annual LetterWinner of Distinction Awards. All Syracuse letterwinners are eligible to join the Varsity Club.

Orange Plus, founded in 1979, has served as a support organization for women's athletics at Syracuse University.

## ORANGE PLUS HALL OF FAME

The Orange Plus Hall of Fame recognizes and honors exceptional Syracuse Sportswomen. Former volleyball players and others affiliated with the volleyball program who have been inducted into the Hall of Fame include:

**Eileen (Smith) Edsall**, inducted in 1986
**Joanne Persico-Smith**, inducted in 1988
**Peggy DeFuria**, inducted in 1989
**Pat Dombrowski**, inducted in 1991
**Terri Hibner**, inducted in 1994
**Jennifer Murphy**, inducted in 2003

***Michaela Skelly was honored as the 2004 Orange Plus Scholar-Athlete of the Year at the annual Orange Plus Senior Reception at the home of former chancellor Kenneth "Buzz" Shaw.***

*Manley Field House has an extensively equipped weight room and a recently renovated sports medicine facility (above). The building includes lockerrooms for all of Syracuse's 21 varsity sports, a 9,500-seat arena (below) and offices for coaches and athletic administrators.*

*The Orange, which used to play a portion of its home schedule at the Women's Building on the main campus of Syracuse University, will now use it as a daily practice facility (above). The Women's Building is also equipped with a weight room for the players' use (below).*

## MANLEY FIELD HOUSE

In 1990, the Orange introduced collegiate volleyball to Manley Field House. This season, Syracuse will all of its 13 home matches in Manley. Last season, SU won five of its six matches played in the facility.

Manley Field House, headquarters of SU's athletics department, is constantly changing to serve the needs of the student-athletes and the community as a whole. The Manley complex includes a 9,500-seat arena, athletic administrative offices, an extensively-equipped weight room, sports medicine facilities, an equipment room and individual sport lockerrooms. The Roy D. Simmons Sr. Coaches Center, a wing for coaches' offices, a massively increased student-athlete support services area and an office for Athletic Compliance opened in the summer of 1995. In the support services area, students have access to computer clusters, one-on-one tutoring rooms and study areas.

## CARRIER DOME

When people think of Syracuse Athletics, they think of the Carrier Dome. The Carrier Dome, located on the SU campus, is the only domed stadium in the Northeast and the largest structure of its kind on any college campus in the country. In fact, Syracuse University is the only Division IA school in the nation that plays its home football games in a domed, on-campus stadium. More than 18.5 million people have passed through its doors since the building's first public event on September 20, 1980 – a 36-24 football win against Miami (Ohio) in front of 50,564 fans.

During one stretch, the Carrier Dome was the site of 11 straight home attendance titles for men's college basketball. It has been the venue for two men's lacrosse NCAA Final Fours and 10 NCAA men's basketball regional tournaments. The Dome will welcom back NCAA basketball tournament action in 2009, hosting the Syraucse Regional Championship. In 2003, the Dome hosted the NCAA women's lacrosse final four and the NCAA men's lacrosse north quarterfinals. In addition to playing host to successful football, basketball and lacrosse action, the Dome is a high-profile concert facility and home to the University's annual graduation ceremony.

## THE WOMEN'S BUILDING

The women's building on the main campus of Syracuse University provides the Orange with an excellent volleyball practice facility. In the summer of 2001, a new enclosed lockerroom was built which includes 20 lockers, a vanity area, wipe boards and benches. In 1995, new windows were installed to improve lighting and the gym's interior was painted.

The gymnasium measures 100 feet by 90 feet with a two-and-a-half story high ceiling and accommodates two side-by-side volleyball courts.

## THE PURPOSE

The Student Athlete Fund is a permanent endowed fund established in the Athletics Department to help perpetuate programs that directly benefit the student-athletes - specifically scholarships and educational services. By building this endowment we will help to ensure the future of our student-athletes.

The Student Athlete Fund gives alumni, parents and friends of the university the opportunity to be linked directly to the most important needs of our student-athletes.

## FUND PRIORITY

Historically, student-athlete scholarships were funded through the University's general budget so that the Athletics Department funds could be used to support the sports programs and improve facilities. Now, as part of the Athletic Department's contribution to the University's restructuring program, the department committed more than $3.5 million each year to help finance scholarships for student-athletes.

Meeting this additional need poses a formidable challenge. Although the Athletics Department is determined to fulfill its commitment to the University, it is equally determined not to drain funds necessary to sustain and improve athletic teams.

Despite the challenge of establishing endowed scholarships, once in place, the endowments will benefit student-athletes forever.

The Student Athlete Fund accepted this challenge to be successful, much help will be needed from those closest to the athletics program, fomer athletes, alumni, parents and friends.

The purpose is substantial and the success of the Student Athlete Fund will determine the future of Syracuse University Athletics.

## PERSONAL DECISIONS

There's no such thing as an "unacceptable" offer to support the Student Athlete Fund. The point is not what the University wants to accept but what the donor wants to give – and that's another of those personal decisions where there is much flexibility, not only in the amount but in the arrangements.

Gifts to the fund have ranged upward to $2 million, and they have come in a variety of ways. There are outright gifts of cash (including stocks and securities) or deferred gifts (bequests, life income agreements, insurance, etc.). Also, many companies have matching-gift programs, so if you work for such a company they may be able to match your gift and thus increase the value to the Fund.

For more information on how to become involved contact Paul Norcross in the Orange Pack Office by phone (315-443-2766) or fax (315-443-5353).
